VIRTUAL TOURS OF MUSEUMS IN ASIA

With many museums announcing temporary closures, the digital world offers a way to explore culture from home.

Google's Arts & Culture platform has partnered with 1,200 leading national and international museums and archives to show their exhibits on-line and offer virtual tours. Many on the platform are museums in Asia.

To access the complete platform of museums, click on the following link: <https://artsandculture.google.com/partner?hl=en>.
