

♥ Dog Wisdom – MUCH TRUTH HERE!

One of the oldest human needs
is having someone wonder
where you are when you don't
come home at night.

~ Margaret Meade ~

I used to look at
my dog and think
"if you were a little
smarter you could
tell me what you
were thinking",
and he'd look at me
like he was saying
"if you were a little
smarter, I wouldn't
have to".

~Fred Junglaus.~

Dog Wisdom

I can't think of anything that brings me closer to tears than when my old dog — completely exhausted after a hard day in the field — limps away from her nice spot in front of the fire and comes over to where I'm sitting and puts her head in my lap, a paw over my knee, and closes her eyes, and goes back to sleep. I don't know what I've done to deserve that kind of friend.

~Gene Hill~

~ Doris Day ~

space we can spare and love we can spare.
And in return, dogs give us their all.
It's the best deal man has ever made."*

While he has not, in my hearing, spoken the English language, he makes it perfectly plain that he understands it. And he uses his ears, tail, eyebrows, various rumbles and grunts, the slant of his great cold nose or a succession of heartrending sighs to get his meaning across.
